【 1 】 YokoさんとTomさんは、the Sustainable Development Goalsに関する下記のイラストを見ながら話し合った。YokoさんとTomさんの会話について、次の問いに答えよ。

Yoko: Have you seen this picture? These are the Sustainable Development Goals. The 17 goals were adopted by all UN Member States in 2015. They are set to achieve a better and more sustainable future for all.

Tom: Yes, of course, I know them. Are you interested in them?

Yoko: Yes. It is important that we achieve them all by 2030. I am most interested in Goal 4: Quality Education. About 260 million children were still out of school in 2018, nearly one fifth of the global population of children.

Tom: Education is a key to escaping poverty. I think that Goal 2: Zero Hunger is important for children. More than 820 million people regularly go to bed hungry in the world today. I cannot do anything without food.

Yoko: The 17 goals are all interconnected. Let's learn more about them.

Tom: Oh, yes. By the way, do you remember tomorrow's soccer game? I will be one of starting members of the game.
